For Acts of Unfairness in Infringing on Trade Name of West Virginia Concern.

PARKERSBURG, Nov. 1.—The United Woolen Mills Company, a West Virginia corporation, with chief offices in this city, has instituted suit in the United States district court at Baltimore, Md., against the United States Woolen Mills Company, a co-partnership of Baltimore, for unfair competition and asking \$50,000 damages. The action was brought before Judge John C. Rose, whose recent decision in the big suit of the federal government against the American Can Company attracted national attention.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

Eat Less Meat if You Feel Backache or Have Bladder Trouble.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid, which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys. The moment you feel a dull ache in the kidneys, if your back hurts or of urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which every one should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Advertisement.

FOR OVERWORKED WOMEN

This is the season of the year when the wife and mother begins to feel the strain of household and social duties, and gets into run-down, nervous, weakened condition. To all such our local druggists, Stone & Mercer, says, "We have a rare combination of the three oldest tonics known, in Vinol, which we guarantee to restore strength, make you eat better, sleep better and feel better, or we will return your money.—Advertisement.

charges the United States Woolen Mills Company with unfair competition in that they simulated their trade name, their advertising matter, methods of doing business, arrangement of stores and various other acts of unfairness within the scope of the federal statutes. A further charge is that the defendants made highly improper use of the word "United" in connection with their advertising matter and that they changed the name of their business from the International Woolen Mills Company to the United States Woolen Mills Company for the sole purpose of deceiving the public into the belief that they were the United Woolen Mills Company.

The plaintiff prays for an injunction restraining the defendants from further pursuing these acts of unfairness, from the infringement upon the trade name and use of the word "United" in connection with their advertising matter and from any simulation of the plaintiff's advertising and methods of doing business, such as would tend to deceive the public. By reason of the acts above set out plaintiff asks for damages in the sum of \$50,000. Judge Rose set the case down for a hearing on Thursday, March 16.

The attorneys Henry A. Nolte, of Wheeling; Senator J. E. Todd, of Columbus, O.; Judge Harold A. Ritz, of Bluefield; and Judge George Weems, of Baltimore, Md.

The United Woolen Mills Company has stores in eight leading West Virginia cities while the United States Woolen Mills Company has stores at Charleston, Huntington and Bluefield in this state.

Prince Albert is so friendly and so all-fired-good

that it just makes a man sorry-like that he didn't get onto this pipe thing and cigarette rolling stunt a-while-ago. He counts it lost time quick as the joy's goodness of this P. A. tobacco gets firm set into his happiness division. The patented process fixes that—and cuts out bite and parch!

Men, it's so easy to get on the right track for straight-ahead-action—and the ride only stands you 5c or 10c—that it sure is due you, due your tongue, due your contentment-container to know how much you'll like

PRINCE ALBERT

the national joy smoke

That tobacco appetite of yours, when it gets-going-good, is as fierce as a baby's cry for milk! Right now, while you feel it digging in, do that little old tree act—leave for the nearest store that sells tobacco! And get yours!

Because Prince Albert, jammed into a jimmy pipe or rolled into a makin's cigarette, taxes the joy-speed-limit! And you'll get the listen of what that means the minute you put some P. A. next to a match! You'll get flavor and aroma and coolness that will set-to-rest-for-all-time any odd notions you ever concocted about pipe-pleasure and makin's pleasure!

All over the U. S.—and in every civilized country in the world—you'll find P. A. cheerily awaiting your ready-to-in fancy red bags, Set in red tin, 10c; handsome sound and half-pound tin humidor—and in that corking-fine crystal-glass humidor with goose-polisher top that not only keeps the tobacco in each closer trim, but is such a nifty thing to have about.

Valuable Health Hints For Our Readers

CATARH
Just because you have a cold and your nose is wet, cold, red, sore and a nuisance, don't merely plug it up. You can't cure catarrh by greasing your nose. Take S. S. S. regularly and you will drive catarrhal poisons to the bottom of your blood. The membranes will soon recover and no longer continue to accumulate the mucus that clogs the nasal passages. S. S. S. stimulates the cells of the tissues to select from the blood their own essential nutriment. Rapid recovery from catarrhal inflammation in the stomach, kidney, bladder and all membranes is the result.

MALARIA.
Throughout the country, wherever malaria abounds, are happy, joyful people to whom S. S. S. has given wonderful help in the treatment of malaria after the most sickening torture imaginable.

The great complexion of malaria's victims, the chills and fever, the malarial dysentery that seems to defy all other treatment, the malarial leg, the enlarged liver, the persistent anemia when the blood turns to water and the system wastes away. These are the conditions that S. S. S. so effectively assists in overcoming, by helping to restore the blood to its natural vigor.

STURBOIN SORES.
Sometimes a sore spot becomes indolent. The tissues surrounding it lose tone and are unable to provide sufficient nutriment to stop the drain. It is then chronic. Just saturate your blood with S. S. S. This is quickly accomplished, as S. S. S. is naturally assimilated the same as milk or any other healthful liquid.

Nature acts with marvelous rapidity when given the proper assistance, and S. S. S. so stimulates cellular activity that the parts surrounding an ulcer secrete from the blood the materials to make new tissue. Thus the sore spot rapidly heals in a natural way.

Local applications for any skin disease will afford protection from without, but have no medical value. Effective diseases should be treated with S. S. S.

POISONED BLOOD.
So many different things contribute to poison the blood and the effect is so startling that the sufferer becomes panic-stricken and is led to use harmful drugs. If you have any blood trouble, get a bottle of S. S. S. and take S. S. S. stimulates the cells of the tissues to select from the blood their own essential nutriment. Rapid recovery from catarrhal inflammation in the stomach, kidney, bladder and all membranes is the result.

RHEUMATISM.
In any form of rheumatism give the blood a good effectual cleansing with S. S. S.

Use this remedy for three days and take a hot salt water bath to open the pores. This relieves the lungs and kidneys and assists S. S. S. to utilize the skin as the principal avenue of elimination.

Avoid salts, calomel and other drastic purgatives, as they absorb the moisture from the walls and membranes of the intestines, weaken the muscular action, produce chronic constipation and thus stagnate the system with rheumatic poisons. Get a bottle of S. S. S. at any drug store. Don't take a substitute.

S. S. S. is purely vegetable and is prepared only by the Swift Specific Co., 271 Swift Bldg., Atlanta, Ga. Write for special booklet on any of the diseases mentioned and if medical advice is wanted, write for that also to address given above. Both booklet and medical advice are free.

MRS. MAY'S LETTER TO WOMEN

More Proof that Lydia E. Pinkham's Vegetable Compound Relieves Suffering.

Chicago, Ill.—"I suffered from a bad case of female ills. Lydia E. Pinkham's Vegetable Compound was recommended and I took about six bottles. It fixed me up all right. The common symptoms of such a condition—pain when walking, irritation, bearing down, pains and backache, nervousness and disordered digestion—soon passed away. I look much better now than I did before, and I recommend the Compound every time for female troubles, as it did for me all it is claimed to do. You have my permission to publish this letter." Mrs. J. MAY, 3548 S. Lincoln St., Chicago, Ill.

If you have any of the symptoms mentioned in Mrs. May's letter, remember what Lydia E. Pinkham's Vegetable Compound did for her, and try it yourself. It is a good old-fashioned medicine, made from roots and herbs, and it has helped countless numbers of women.

If you need special advice, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.
